Dear Madames:

Re: Sharon and Bill Shore

Thank you for your letter of May 21, 2003.

Mrs. Shore advises me that she has taken the website down. Mrs. Shore does not want to do anything to impact on the charges which are proceeding at the College of Nurses of Ontario. Having said that, I respectfully disagree with your characterization of what Mrs. Shore has said to the media.

Your comments about what I said on CTV's Canada A.M. are in my view incorrect. My comments have never been ill-considered. How Dr. Rust's two page report to Dr. Wilder of October 4, 1998 has anything to do with anything, is something I am missing. I must be obtuse.

I have given this matter my immediate attention - just as you have requested.

I congratulate you on the success you achieved for your clients. Your clients are lucky to have both of you. Had they performed as well as the two of you did - they would never have needed you!

Yours very truly

TEPLITSKY, COLSON
